

# Sharpen Your Future

## WHAT IS A SAW DOCTOR?

Saw Doctors are skilled tradespeople who maintain, repair, and sharpen industrial cutting tools — including circular saws, band saws, knives, and blades used in timber mills, manufacturing, and beyond.

They are the behind-the-scenes experts who keep industries cutting with precision, safety, and efficiency.

## WHY CHOOSE A SAW DOCTOR APPRENTICESHIP?

- Hands-On Skills - Learn to sharpen, tension, weld, and align saw blades with precision machinery.
- In-Demand Trade - Essential in timber, forestry and steel manufacturing industries.
- Earn while you learn - Paid, full-time apprenticeship with expert mentors and practical training
- Nationally recognised qualification - Your skills will be in demand across the country - and beyond!
- Job Security & Growth - Skilled Saw Doctors are in high demand across Australia and internationally.

**EXPRESS YOUR  
INTEREST TODAY!**

## START YOUR JOURNEY TODAY!!

- Must be 16+ years old in the first 12 months of your apprenticeship
- P1 or higher driver's licence

## APPRENTICESHIP DURATION

4 years (full-time), with on-the-job training and formal learning through a registered training provider.

***“Every blade that hums through timber started in our hands. We work with precision and pride — this is a trade that rewards skill and care.”***

— Liam T., Qualified Saw Doctor
